A ZOO INVOLVED IN WILDLIFE CONSERVATION

The Asson Zoological Association was created 30 years ago to fund biodiversity conservation programs around the world. Every euro raised is donated to one of our partners who work tirelessly every day to protect nature.

CHOOSE ASSON AND ACT FOR WILDLIFE

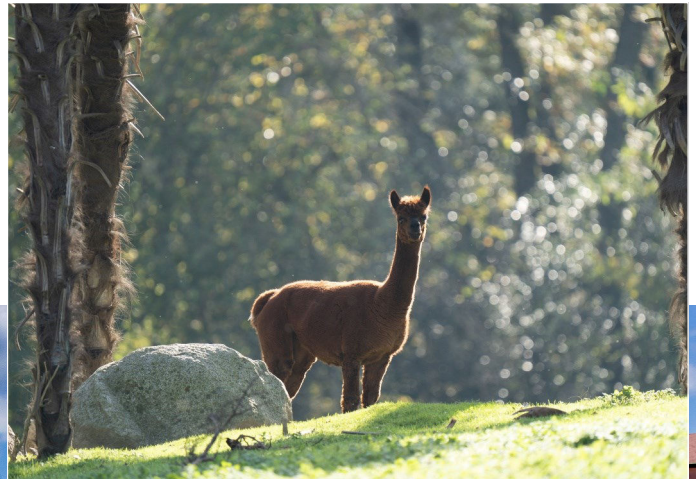

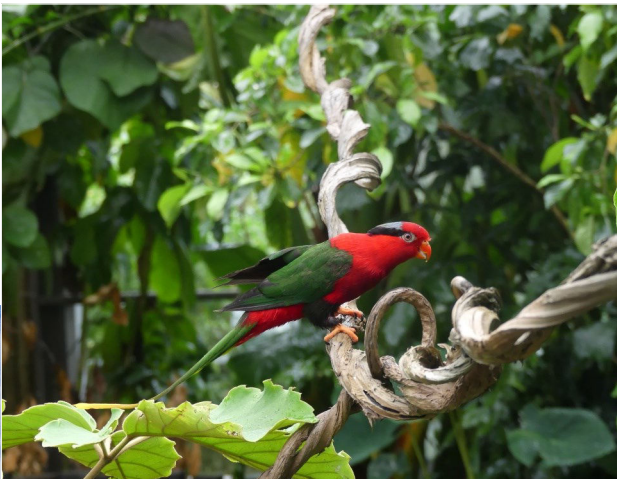

A UNIQUE ATMOSPHERE AND AN INCREDIBLE EXPERIENCE

Asson is also a botanical garden, carefully landscaped for visitors and animal welfare.

Shaded and lush vegetation offer optimal visiting conditions.

The visit is designed to be possible all year round with observation shelters and gentle slope route.

Choose Asson and make a fantastic journey

CONTACT US

WE WILL ORGANISE EVERYTHING FOR YOU

Asson Zoo is more than just a place to visit, it's a trusted partner for professionals. Choose our park and offer your clients much more than a simple outing : an immersive experience, a commitment to biodiversity, and quality recognized by leading guides.

Our facilities, our rates and flexibility are adapted to you, and our team will make anything to welcome you the best way.

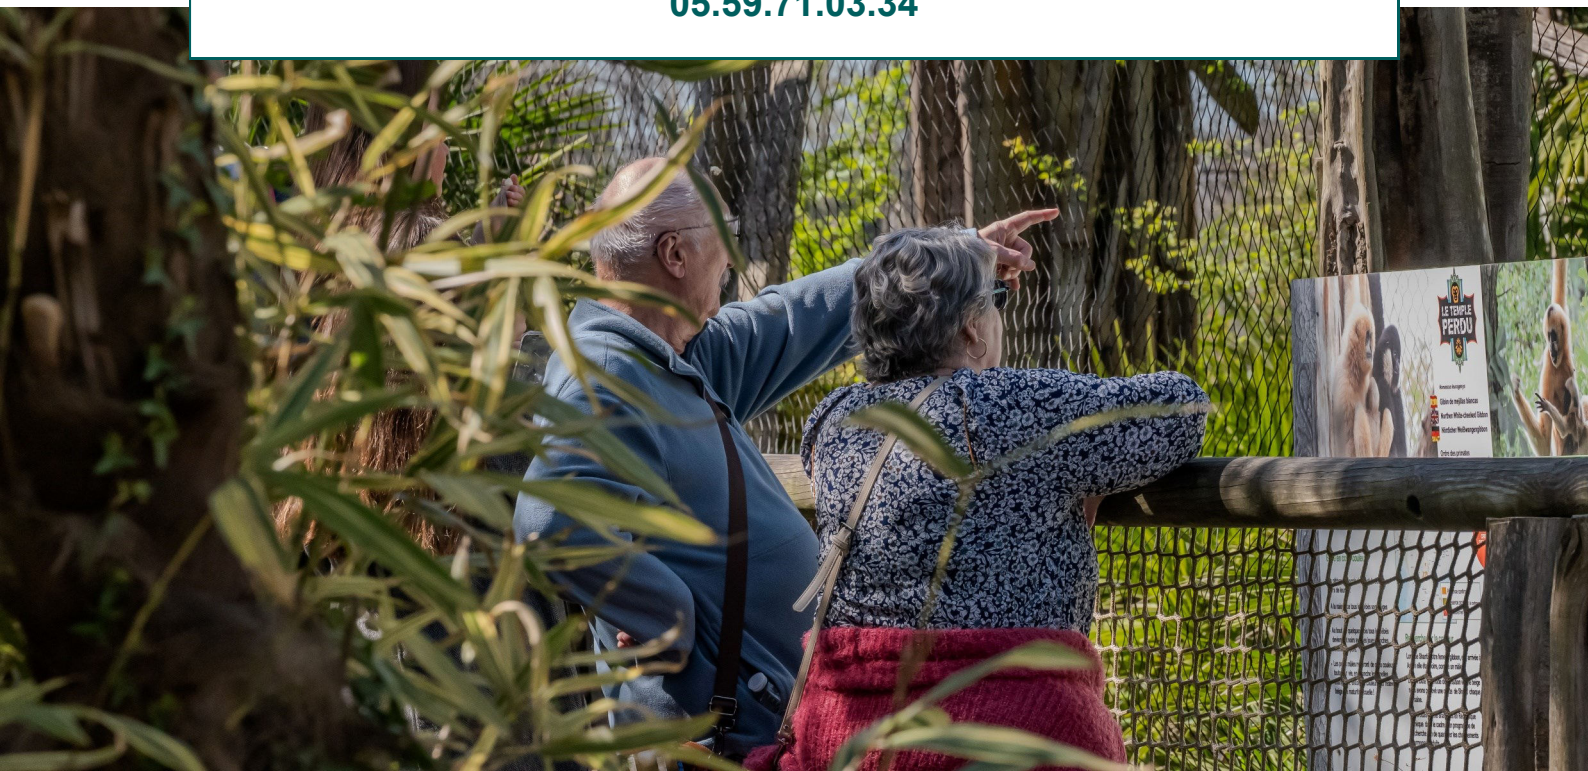

We are eager to work with you on the long term
